Travelling by airplane (international guests)

The airport **Köln/Bonn** (Cologne/Bonn; airport signature: **CGN**) is an international airport located closest to the office. You may take public transport to reach Cologne central station within approx. 20 min. The next closest international airport is **Frankfurt am Main** (airport signature: **FRA**). A high speed (named ICE) train takes you to Cologne central train station or Cologne Trade Fair Deutz station in approx. 1 hour. Such trains depart from “Frankfurt am Main Fernbahnhof” approx. every 20 minutes. From both stations (Cologne Central station and Cologne Trade Fair Deutz) several direct connections to the station **Köln-Ehrenfeld** being next to our office are available.

Rental car stations are available on both airports. However, depending on traffic travelling by car very often takes longer than travelling by public transport (From Cologne/.Bonn airport to the office it might take approx. 1 hour; From Frankfurt am Main airport it takes approx. 2 hours).

Travelling with public transport

Arriving at Cologne Central Train Station “**Hauptbahnhof**” (abbrev.: “Köln HBF“) you have several options to get to the urban railway station „**Köln-Ehrenfeld**“. (Note: Urban railway stations are marked with a white “S” on green background).

It takes another 10 minutes walk from the urban railway station along “Venloer Strasse” outbound lane to get to our office. (A good landmark is the television tower you can see from everywhere in the city. It is close to the central train station. You must walk away from the television tower to get to our office.)

Urban railway trains or regional trains depart from Cologne central station approx. every 5 minutes. You have the following options:

1. Take urban railway train **S19** with direction “Sindorf“ or „Düren“. Alternatively you may take **S12** with direction “Köln-Ehrenfeld“.
2. Travelling with regional trains departing from Cologne central station you may take **RE 1** or **RE 9** with direction “Aachen“, **RE 8** or **RB 27** with direction “Mönchengladbach“ or **RB 38** with direction “Bedburg“

3. Another alternative is taking the metro lines departing from Cologne central station. (All metro stations are marked with a white “U” on dark blue background). You may take the metro line to get to the station **Leyendeckerstrasse**. However, you must change the train once. From the metro station “Leyendeckerstrasse” you need another approx. 3 minutes walk to reach our office.

Take the **metro line 5** from Cologne central station with direction “Sparkasse Butzweiler Hof” and change the train at the station “Friesenplatz”. Here you must either take **metro line 3** with direction “Görlinger Zentrum” or **metro line 4** with direction “Bocklemünd“. You will reach station “Leyendeckerstrasse“ after approx. 15 minutes ride, where you must exit the train.

Note: In most trains and metro lines announcements are made before reaching the next station. In addition most trains are equipped with televisions indicating the name of the next stop.
